FACULTY OF COMMUNICATION

- Advertising Design and Communication
- Cartoon and Animation
- Media and Communication
- New Media and Journalism
- Public Relations
- Radio, Television and Cinema
- Visual Communication Design

FACULTY OF HUMANITIES AND SOCIAL SCIENCES

- History
- Philosophy
- Political Science and International Relations
- **Political Science and International Relations** (English)
- Psychology
- **Psychology** (English)
- Sociology

FACULTY OF MEDICINE

Faculty of Engineering & Natural Sciences, Department of Molecular Biology & Genetics (Turkish & English) and Faculty of Humanities & Social Sciences, Faculty of Philosophy & Psychology (Turkish & English) are accredited in 2017-2018 academic year by FEDEK.

VOCATIONAL SCHOOL OF HEALTH SERVICES

- Anesthesia
- Anesthesia (EE)
- Audiometry
- Audiometry (EE)
- Autopsy Assistantship
- Biomedical Device Technology
- Child Development
- Child Development (EE)
- Child Protection and Nursing Services
- Dental Prosthetics Technology
- Dental Prosthetics Technology (EE)
- Dialysis
- Dialysis (EE)
- Disabled Care and Rehabilitation
- Elderly Care
- Electroneurophysiology
- Electroneurophysiology (EE)
- Emergency and Disaster Management
- Emergency and First Aid
- Emergency and First Aid (EE)
- Environmental Health
- Food Technology
- Health Information Systems Technician
- Home Health Nursing
- Laboratory Technology
- Management of Health Care Institutions
- Management of Health Care Institutions (EE)
- Medical Documentation and Secretariat
- Medical Documentation and Secretariat (EE)
- Medical Imaging Techniques

FACULTY OF ENGINEERING AND NATURAL SCIENCES

- **Bioengineering** (English)
- **Chemical – Biological Engineering** (English)
- **Computer Engineering** (English)
- **Electrical and Electronic Engineering** (English)
- Forensic Sciences
- **Industrial Engineering** (English)
- Molecular Biology and Genetics
- **Molecular Biology and Genetics** (English)
- **Software Engineering** (English)

FACULTY OF HEALTH SCIENCES

- Audiology
- Child Development
- Health Management
- Midwifery
- Nursing
- Nutrition and Dietetics
- Occupational Health and Safety
- Occupational Therapy
- Orthosis and Prosthesis
- Perfusion
- Physiotherapy and Rehabilitation
- Social Work
- Speech and Language Therapy

INSTITUTES

INSTITUTE OF SOCIAL SCIENCES

Master's Degree Programs:

- Applied Psychology (Thesis - Non Thesis)
- Clinical Psychology (Thesis - Non Thesis)
- Family Counseling (Thesis)
- International Relations (Thesis - Non Thesis)
- Media and Cultural Studies (Thesis - Non Thesis)
- Neuromarketing (Thesis - Non Thesis)
- New Media and Journalism (Thesis - Non Thesis)
- Sociology (Thesis)
- Visual Communication Design (Thesis - Non Thesis)

Doctorate Degree Program

- Psychology

INSTITUTE OF HEALTH SCIENCES

Master's Degree Programs

- Addiction Counselling and Rehabilitation (Thesis - Non Thesis)
- Child Development (Thesis - Non Thesis)
- Department of Nursing
 - Child Health and Diseases Nursing (Thesis - Non Thesis)
 - Community Mental Health Nursing (Thesis - Non Thesis)
 - Internal Diseases Nursing (Thesis - Non Thesis)
 - Psychiatric Nursing (Thesis - Non Thesis)
 - Women's Health and Diseases Nursing (Thesis - Non Thesis)
- Department of Occupational Health and Safety
- Health Informatics (Thesis - Non Thesis)
- Health Management (Thesis - Non Thesis)
- Neuroscience (Thesis - Non Thesis)
- Occupational Health and Safety (Thesis - Non Thesis)
- Physiotherapy and Rehabilitation (Thesis)
- Social Work (Thesis - Non Thesis)
- Speech and Language Therapy (Thesis)

Doctorate Degree Programs

- Health Management
- Speech and Language Therapy
- Molecular Neuroscience
- Neuroscience
- Nursing
- Occupational Health and Safety

Faculty of Medicine NP Campus

Main Campus

INSTITUTE OF SCIENCES

Master's Degree Programs

- Biotechnology (Thesis - Non Thesis)
- **Bioengineering** (Turkish) (Thesis / Non-Thesis)
- **Computer Engineering** (Turkish / English) (Thesis / Non-Thesis)
- **Cyber Security** (Turkish / English) (Thesis / Non Thesis)
- **Electrical - Electronic Engineering** (English) (Thesis / Non Thesis)
- Molecular Biology (Thesis - Non Thesis)

INSTITUTE FOR SUFI STUDIES

Master's Degree Program

- Sufi Culture and Literature (Thesis - Non Thesis)

Doctorate Degree Program

- Islamic Civilization, Idea, History and Literature

INSTITUTE OF ADDICTION AND FORENSIC SCIENCES

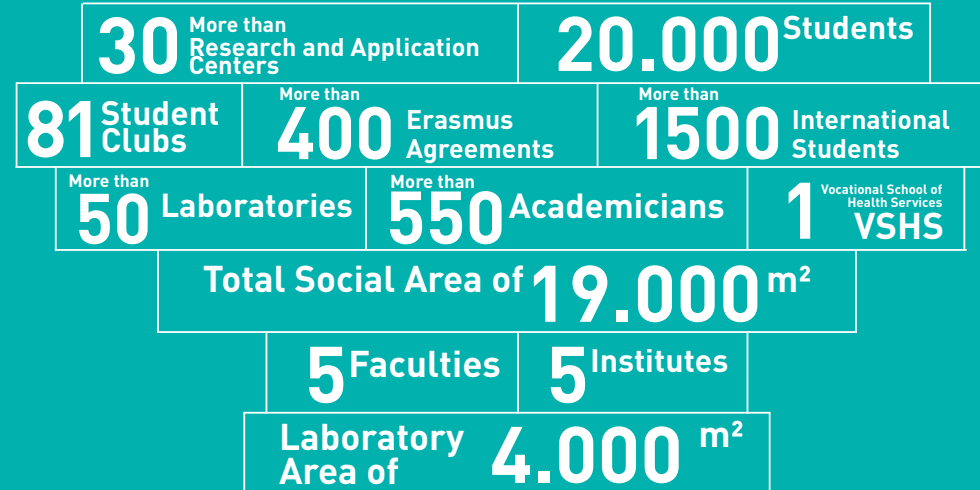

Master's Degree Programs

- Criminal Justice (Thesis - Non Thesis)
- Forensic Sciences
 - Forensic Informatics and Digital Evidence (Thesis - Non Thesis)
 - Crime Prevention and Analysis (Thesis - Non Thesis)
 - Crime Scene Investigation and Criminalistics (Thesis - Non Thesis)
 - Forensic Chemistry (Thesis - Non Thesis)
 - Forensic Genetics (Thesis - Non Thesis)
 - Forensic Molecular Biology (Thesis - Non Thesis)
 - Forensic Nursing / Midwifery (Thesis - Non Thesis)
 - Forensic Psychology and Behavioral Evidence (Thesis - Non Thesis)
 - Forensic Toxicology (Thesis - Non Thesis)

Doctorate Degree Program

- Forensic Sciences
 - Criminalistics and Crime Scene Investigation
 - Crime Prevention and Analysis
 - Forensic Chemistry
 - Forensic Informatics and Digital Evidence
 - Forensic Psychology and Behavioral Evidence
 - Forensic Molecular Biology and Genetics

ÜSKÜDAR IN NUMBERS

“Üsküdar University is in Üsküdar”

THE
CHOICE
OF MIND IS
ÜSKÜDAR

Turkey's Brain Base
uskudar.edu.tr/en

Üsküdar University is chosen to be the **Center of Excellence** by UNESCO due to its studies on Neurobiology, Cognitive Medicine and Brain.

Main Campus

South Campus

Çarşı Campus

WHY ÜSKÜDAR UNIVERSITY?

Turkey's first thematic University in the field of Behavioral and Health Sciences, Üsküdar University with an array of educational programs of future professions with a "multidisciplinary approach" in Medicine, Psychology, Philosophy, Health, Genetics, Communication and Engineering Sciences. Üsküdar University aims to be a world class university with more than 50 laboratories for different fields, R&D focus, BrainPark Incubation Center, international accreditations, Erasmus programs and values social responsibility projects as well as collective service. Nearly 20.000 students have decided to say "Life is a Choice" as our University obtains professional standards that can integrate the "University-Hospital business association" model with academic and clinical training, ideal corporate culture with ethical values, offers opportunities for individual education and equal opportunities.

WHY ERASMUS?

- Internship opportunities in Europe
- Opportunities to study abroad with more than 400 Erasmus Agreements including 20 different European Union countries such as the UK, Germany, Italy, Spain, Netherlands and Scandinavian countries while educating more than 1.000 international students.

FOREIGN LANGUAGE EDUCATION AT ÜSKÜDAR UNIVERSITY

Our students get a lot of advantages through Üsküdar University English Preparatory Program ALFSI and international agreements. Along with Üsküdar University English Preparatory Program ALFSI, we offer opportunities from preparatory training to master program through agreements with universities, institutes and academies in Great Britain, the United States, Canada, Australia, Spain, Germany and even China. ALFSI Academy has agreements with University of California Los Angeles Extension, London College of Contemporary Arts, London School of Business and Finance, St Patrick's College, Gisma Business School - Berlin and 360 GSP College and from America FLS and colleges, Cambridge Education Group. Thus, our students can attend to the preparatory programs of the relevant universities during 2 semesters or summer period optionally.

Üsküdar University Department of Foreign Languages' Preparatory education system and operations are accredited by Pearson Assured, an independent international quality criterion.

R&D UNITS AND LABORATORIES

In the laboratories of Üsküdar University there is hands-on training about several different subjects of behavioral sciences such as Transcranial Magnetic Stimulation (TMS), neuroimaging, health physics and psychology software. There is a clinic substructure equipped with high technology for studies like "Brain Computer Interface (BCI)" and artificial intelligence in computer engineering branch. Üsküdar University provides the privilege of practicing in NP İSTANBUL Brain Hospital that is Turkey's first and Europe's second private Neuropsychiatric hospital and NP Feneryolu Medical Center, NP Etiler Medical Center, NP Physiotherapy Rehabilitation Center along with

training in laboratories that offer an area of **4.000 m² practical training with more than 50 laboratories** while being trained by a huge number of academic staff who are experts in their field. Üsküdar University maintains the laboratory, Research and Development investments and keeps working to accomplish the first Brain Park of Turkey at a great pace.

SiliconTurk Technopark within Üsküdar University infrastructure offers young entrepreneurs the opportunity to implement their projects.

UNIVERSITY – HOSPITAL COOPERATION

NPİSTANBUL Brain Hospital

Memorial Ataşehir

Üsküdar University students have the opportunity to gain experience at NPİSTANBUL Brain Hospital, NP Medical Centers and Memorial Ataşehir Hospital in collaboration with experts in their departments during their education period in order to reinforce their theoretical education.

ÜSKÜDAR UNIVERSITY ATTENDS G20!
Üsküdar University is the first and only university that represented Turkey at the 2015 G20 Leaders Summit held in Antalya and hosted the 2nd G20 World Brain Mapping and Therapeutics Scientific Summit. Üsküdar University also participated in the G20 Summits in China, Germany and Argentina, respectively in which the latest developments in brain studies were discussed.

Our R&D Focuses

- Neuromodulation Treatments
- Neurogenetic Studies
- Studies on Autism, Schizophrenia and Alzheimer
- Virtual Reality Programs in Health (Including Artificial Intelligence)
- Biotechnology and Medicine
- Personalized Treatment
- Holistic Family Studies

İSTANBUL, CITY AND CAMPUS

Üsküdar University, which is the first thematic university in the field of Behavioral and Health Sciences, is in İstanbul, the only city connecting two different continents in the world. Üsküdar is a district located in the Anatolian part of İstanbul, right across the historical peninsula and at the starting point of the 15th July Martyr's Bridge connecting Asia and Europe. Our University, owing its name to this beautiful district, is at the crossroads of the world due to its special position. Üsküdar also stands as one of the most prestigious locations of İstanbul with its sea, road and underground transportation opportunities.

Our 5 campuses are Faculty of Medicine, Main Campus, South Campus, Çarşı Campus and Girls' Guesthouse in Nakkastepe.

Our University is situated in the center of İstanbul due to its campuses being at the junction of transportation network, so that our students can readily benefit from the subway, public buses and ferries. Students can enjoy their leisure time by going to cafes in the coast and walking in the fresh air in the surrounding parks. University campuses and cafeterias have been specifically designed so that students can chat and enjoy their free time in an educationally conducive environment.

A FEW EXEMPLARS FROM OUR STRONG ACADEMIC STAFF

Prof. Nevzat Tarhan

Prof. Mehmet Zelka

Prof. Sevil Atasoy

Prof. Muhsin Konuk

Prof. Osman Çerezci

Prof. Nazife Güngör

Prof. Deniz Ükke Arboğan

Prof. Haydar Sur

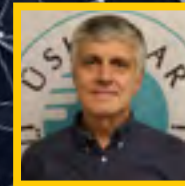

Prof. Şefik Dursun

Prof. Oğuz Tanrıdağ

Prof. Elif Erhan

Prof. Tayfun Uzbay

Prof. Sinan Canan

Prof. Hüsnü Erkmen

Prof. Ahmet Konrot

Prof. Nesrin Dilbaz

Prof. Mustafa Bozbuğa

Prof. Sultan Tarlacı

Prof. Sırrı Akbaba

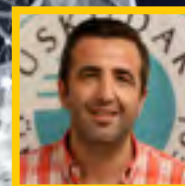

Prof. Kayhan Erciyeş
